Information on Corporate Contractor Performance and Integrity

DOD, GSA, and NASA issued a final rule amending the FAR to implement section 852 of the NDAA for Fiscal Year 2013 to include, in the Federal Awardee Performance and Integrity Information System, to the extent practicable, identification of any immediate owner or subsidiary, and all predecessors of an offeror that held a Federal contract or grant within the last three years. The objective is to provide a more comprehensive understanding of the performance and integrity of the corporation before awarding a federal contract, [81 Fed. Reg. 11988](#). This rule is effective April 6, 2016.
